17WBI.3 Special Access Service

17WBI.3.1 Surcharge for Special Access Service

The rate for Special Access Service requested are per individual contract. For Special Access Services provided under individual contract, Westphalia Broadband will begin processing connection of the requested Service before an individual contract rate has been negotiated. If the Customer and Westphalia Broadband have not agreed upon an individual contract rate for the requested local transport service, Westphalia Broadband will bill a market based rate for the service. This market based rate will not be more than four times the current NECA rate for similar rate elements provided and will not be less than the current NECA rate for similar rate elements provided. For purposes of calculating the minimum period charge when an individual contract rate has not been agreed to, the minimum period charge will be based on one hundred and fifty percent (150%) of the then current NECA rate for similar rate elements requested.

Issued: October 27, 2004

Effective: October 28, 2004

Issued under the authority of Public Act 179, dated December, 1991, as amended by Public Act 216, dated November, 1995, as further amended by Public Act 295.
